Chapter 13

★ First Day of School ★

Once upon
a time...

There was
a girl who
waited for
a romantic,
loving rela-
tionship.

But...

In this space, I'll analyze the characteristics of the main characters. This is how I'll describe their characteristics:

- Physique - Refers to physical ability.
- Wit - Refers to how fast the brain can react to a situation. Is a person with a quick wit likely to get better exam results?
- Erection - Also known as EG
- Social - Ability to communicate with others?
- Charm - Outward/physical appearance.
- Diligence - Refers to how hard they work.

Well, I hope everyone will enjoy reading this manga "..."

Such an

dinary
